

Life's Abundance® Premium Health Food for Dogs

Technical Data

Life's Abundance® is a premium dog food fortified with vitamins and minerals. Animal feeding tests using the Association of American Feed Control Officials' (AAFCO) procedures substantiate that Life's Abundance Premium Health Food for dogs provides complete and balanced nutrition for all life stages. All the wholesome ingredients in Life's Abundance Premium Health Food are derived from the same facilities that supply ingredients for supermarkets.

- High quality chicken meal free of hormones and steroids.
- High quality fish meal (catfish) preserved with natural mixed Tocopherols
- Whole egg⁽¹⁾ with 100% biological protein value and highly digestible (containing all the essential protein building blocks)
- Whole fruits and vegetables for their phytonutrient ingredients including antioxidants and phytosterols
- Five types of probiotics guaranteed to be viable after cooking. The minimum guarantee for lactobacillus organisms is 1.0×10^8 C.F.U., ensuring a healthy intestinal flora which supports:
 - Production of food for healthy enterocytes
 - Increased nutrient absorption
 - Gut Associated Lymphoid Tissue (GALT) located in the intestine, which communicates with systemic immune systems
- Moderately fermentable fiber, beet pulp which supports:
 - Normal intestinal movement; peristalsis and segmentation
 - Production of food for healthy enterocytes
 - Normal fecal output
 - Increased nutrient absorption
- Grape Seed Extract (Activin™), with oligomeric proanthocyanidins (OPCs) and other phytonutrients extracted using a patented water extraction method rather than chemicals. With over 60 scientific papers and presentations, Activin™ has been demonstrated to be more potent than other OPCs and vitamins C, E, or Beta-carotene. It is proven to be bioavailable, a potent free radical scavenger, and inhibits free radical-induced cellular damage. It has been granted FDA GRAS status which supports its safety; i.e. a non-toxic even at high levels.
- Proteinated (chelated) minerals for increased absorption
- Potatoes⁽²⁾ and Brown Rice as novel carbohydrates for their nutrient values and high digestibility
- Our manufacturing facility, third generation, is a USDA certified APHIS (Animal Plant Health Inspection Service) plant. APHIS certification allows the sale of a finished product to the International market, including the European market, which has extremely high standards on ingredient sources. Under APHIS certification, the plant and ingredient facilities are routinely inspected.

INGREDIENTS: Chicken Meal, Ground Brown Rice, Potato Product, Chicken Fat (Preserved with Natural Mixed Tocopherols (Vitamin E)), Dried Beet Pulp, Brewers Dried Yeast, Natural Flavors, Flax Seed Meal, Egg Product, Fish Meal, Salt, Calcium Carbonate, Potassium Chloride, L-Lysine, Carrots, Apples, Canola Oil, Alfalfa Leaf Meal, Celery, Lactobacillus acidophilus fermentation product, Lactobacillus casei fermentation product, Bifido bacterium bifidum fermentation product, Streptococcus faecium fermentation product, Aspergillus oryzae fermentation product, Whole Clove Garlic, Spinach, Grape Seed Extract, Vitamin E Supplement, Ascorbic Acid, Biotin, Niacin Supplement, d-Calcium Pantothenate, Vitamin A Acetate, Riboflavin Supplement, Vitamin B12 Supplement, Thiamin Mononitrate, Pyridoxine Hydrochloride, Menadione Dimethyl-pyrimidinol Bisulfate (Source of Vitamin K Activity), Citric Acid, Vitamin D3 Supplement, Folic Acid, Ferrous Sulfate, Zinc Sulfate, Zinc Proteinate, Iron Proteinate, Zinc Oxide, Copper Sulfate, Manganese Proteinate, Copper Proteinate, Manganese Oxide, Sodium Selenite, Calcium Iodate.

PROBIOTICS:

Lactobacillus acidophilus	1x 10 ⁶ C.F.U./gm
Lactobacillus casei	1x 10 ⁶ C.F.U./gm
Bifido bacterium bifidium	1x 10 ⁶ C.F.U./gm
Streptococcus (Enterococcus) faecium	1x 10 ⁶ C.F.U./gm
Aspergillus oryzae	1x 10 ⁶ C.F.U./gm

FEEDING INSTRUCTIONS:	
3 pound dog	1/4 cup
10 pound dog	2/3 cup
20 pound dog	1 cup
30 pound dog	1-1/2 cups
40 pound dog	1-3/4 cups
60 pound dog	2-1/2 cups
80 pound dog	3 cups
100 pound dog	3-1/2 cups
Over 100 pounds	3-1/2 cups + 1/3 cup for each 10 pounds of body wt. over 100

SERVING SIZES:
32 cups in 8 lb. Bag
80 cups in 20 lb. Bag
160 cups in 40 lb. Bag

Formulated by Dr. Jane Bicks, a highly respected and nationally recognized holistic veterinarian. Dr. Bicks utilizes the best of modern science and Mother Nature to formulate all HealthyPetNet™ products. She is the author of three national books on pet care and nutrition and has served on professional boards including the Cornell Feline Health Center. Dr. Bicks served as the President of the Veterinary Medical Association in NYC and was appointed by Mayor Rudolph Giuliani to help start one of the largest animal shelter in the United

AAFCO DEFINITIONS ABBREVIATED:

The ingredient names on the bag are based on AAFCO (Association of American Feed Control Officials) definitions. Included are:

- (1) Egg product – Eggs that are dehydrated, liquid, or frozen, and labeled as per USDA regulations governing eggs. They must be free of shells. There is no definition for egg.
- (2) Potato product – The dehydrated potato pieces, skin included, derived from potatoes eaten by humans. There is no definition for potato.
- (3) According to AAFCO feeding requirements for BOTH puppies and adult dogs, the calcium/phosphorous ratio is 1:1, maximum 2:1.
